MATIO
KIDS KICKING CANCER

A CYCLE OF HEALING. A CIRCLE OF HOPE. A CALL TO EMPOWERMENT.

Power. Peace. Purpose.

This is our mantra. It represents the transformational process the children we are so privileged to serve experience when they move from feeling helpless to building resiliency as they conquer their pain, stress and anxiety.

At MATIO | Kids Kicking Cancer, our mission is simple. We work to ease the pain and trauma of children while empowering them to heal physically, spiritually and emotionally. We do this through our evidence-based therapeutic martial arts program, which is a safe, non-contact and adaptable approach. Our Black Belt Therapeutic Martial Arts Instructors use elements of empowerment, breathing, relaxation and movement to help children with pediatric illness find their own Power. Peace. Purpose.

Through our core Sara's Pediatric Healing Program, we provide a multi-faceted approach of service to the children and families we serve. In addition to inpatient service at the hospital bedside and in-clinic, we provide outpatient community enhancement programming, focused on our students, their families, and providing special opportunities to build community with like-minded individuals who share similar lived experiences.

All services are provided free of charge and extended beyond the primary student, to include both siblings and parents.

MATIO | Kids Kicking Cancer is exclusively funded by generous donations from individuals, corporations and foundations. As our largest fundraiser, all gifts received will directly support our core Sara's Pediatric Healing Program, allowing us to meet demand and continue our important mission forward.

THANK YOU FOR YOUR INVESTMENT IN MAKING OUR MISSION POSSIBLE.
